\$ 34.95 2018 Activity Book 978-1-59982-951-7

***It is preferable that every candidate be provided a Bible and a Catechism or YouCat for use in Confirmation preparation. If that is not possible, copies should be supplied to each catechist involved in sacramental preparation. The children should be taught how to locate passages in the Bible and Catechism and spend time in prayer and discussion with passages. The youth will be encouraged to form their own personal discipline of reading and praying with Scripture.**
